COMMUNITY ACTIVITIES

Leyton Orient Trust has been running in this name or under its previous title of Leyton Orient Community Sports Programme since September 1997 and was the first project of its kind to gain charitable status and to become a company limited by guarantee. It superseded Leyton Orient Football in the Community Scheme, which was set up in May 1989. Over the past 18 years the
scheme has established itself as one of the most effective schemes in the country and has
developed expertise and a strong reputation with regards to football and community
development. The scheme now operates in Hackney, Tower Hamlets, Waltham Forest and Epping.

The aim of the organisation is to offer a comprehensive and inclusive programme to young people
in North East London who have traditionally been excluded from mainstream sport and education
provision.

As the programme has evolved it has grown both in breadth and depth and now 30,000 young
people are involved in different aspects of the programme each year. The range of activities we
run are:

- Regular football coaching sessions for 5-15 year olds using hard court, astro turf and grass
  areas at 15 venues on Saturday mornings; early evenings and during the holidays
  organising local events and borough wide inter school tournaments.

- Training up local volunteers to participate in the sessions, offering football coaching
  qualifications.

- Combining sport with schools work offering coaching and some curriculum work to all
  Primary school children in Waltham Forest. Also holding coaching sessions in 15 Tower
  Hamlets Primary Schools a year.

- A full time Education Officer who works in 45 primary schools a year using children’s
  interest in football to learn about history, geography, maths and English.

- After school sessions are also held which combine football with literacy and numeracy.
  Literacy fun days are held at the Club using the ground and the players.

**INCLUSION AND ANTI-DISCRIMINATION**

- Leyton Orient Football Club is committed to ensuring that its football and all parts of it
  business are inclusive of all communities and free from discrimination.

- The Club have nominated a senior member of staff to have overall responsibility for
  upholding the Inclusion and Anti-Discrimination policy within the Club and to ensure
  regulations in regards to BAME are upheld.

- Leyton Orient Football Club is committed to confront and eliminate discrimination whether
  by reason of sex, gender re-assignment, sexual orientation, marital or civil partnership
  status, race, colour, nationality, ethnic or national origin, pregnancy or maternity, religion
  or belief, age or disability.

- The Club undertakes to its supporters and customers that any complaints of discrimination
  will be immediately investigated and dealt with in line with Company policies.

- The Club has advised its staff that any incident of discrimination is a serious matter and will
  be dealt with under the Club’s Disciplinary Procedures.
Leyton Orient is an equal opportunities employer. It is committed to equal opportunity within its own organisation and to encourage similar commitment from every organisation with which we have business or social dealings.

Equality of opportunity at Leyton Orient Football Club means that in none of its activities will it discriminate against, or in any way treat less favourably, any person on grounds of sex, gender re-assignment, sexual orientation, marital or civil partnership status, race, colour, nationality, ethnic or national origin, pregnancy or maternity, religion or belief, age or disability. This includes:

- The advertisement of jobs
- The selection of candidates for employment or promotion
- Job location or working environment
- Pay and employment terms and conditions
- Internal training and development activities
- External education and activities and awards
- Football development activities
- Selection for representative teams
- Appointments to honorary positions

Leyton Orient Football Club will not tolerate harassment or other discriminatory behaviour, whether physical or verbal, and will work to ensure that such behaviour is met with appropriate disciplinary action in whatever context.

**CLUB POLICY COVERING PART III (THE PROVISION OF GOODS, SERVICES AND FACILITIES) OF THE EQUALITY ACT**

- The Club is committed to ensuring that its disabled supporters and customers have as full access as is reasonably possible to all goods, services and facilities provided or offered to the public by the Club.

- The Club will operate a concessionary ticketing policy for disabled supporters and will ensure that the scheme does not discriminate between disabled people with differing impairments.

- The Club recognises that not all of its facilities are fully accessible to disabled customers and confirms that it is committed to making necessary reasonable adjustments described by the Equality Act and its relevant Codes of Practice to ensure full compliance with the legislation.
The Club also recognises that it is likely to have new duties with effect from 1st December 2004 to remove permanent barriers that make it difficult or impossible for some disabled customers to access Club facilities. The Club will undertake such additional works as are reasonably required within the timescales set out in the Act.

The Club has a training programme to ensure that all Senior Managers and appropriate “front line staff” are trained in the provisions of the Act. On-going training will be included in staff induction programmes.
